To Whom It May Concern:

RE: Sikh Association Northern Territory

This letter is to advise the tremendous support that the Sikh Association Northern Territory provided to the running of the 2013 Australia Day Fun Run in Darwin.

The event attracted over 4000 participants and was held in the centre of Darwin on January 26, 2013.

We were simply overwhelmed with the support provided and it was absolute delight to work with Sikhs in Darwin, their contribution of products and manpower was highly substantial for the event.

The Sikh Association Northern Territory provided at their own expense the water for all participants. In addition to that, they turned up in force with manpower to help out both on the course and at the finish line.

We're looking forward to working with the Sikh Association Northern Territory for upcoming events and would be more than happy to recommend other volunteer driven community groups do the same.

Kind Regards,
